- Day Planner - A daily planner that utilizes moment.js and local storage - <https://jeniglar.github.io/DayPlanner/>

WORK EXPERIENCE

WARBY PARKER, Philadelphia, PA

Store Leader, Oct 2017 - Jul 2020

- Responsible for all aspects of store performance - financial results and business metrics, hiring and recruiting, retention and internal development, team engagement, payroll, loss prevention, operational standards, inventory and product allocation, merchandising, client experience and store culture
- Consistently exceeded financial goals - Increased store volume from 3.6M to 5.8M over two years. Top performer in 2019, ending #1 in year over year sales out of 50+ stores in the east region
- Cultivated an extremely engaged and results driven team - Managed a team of 20-22 people on average. Encouraged a healthy balance between an energetic, fun environment and a high level of productivity
- Developed a clear business strategy on a weekly, monthly, and quarterly basis - Forecasted daily goals based on past business trends. Adjusted the strategy in the moment to account for changes in traffic and performance

LOFT - ANN INC, Philadelphia, PA

Store Manager, Nov 2009 - Oct 2017

- Consistently exceeded financial goals - Increased store volume from 2.1M to 2.5M over two years. Top performer in 2016, ending #1 out of 15 stores in the district
- Demonstrated the ability to grow as a leader and proactively take on new responsibilities - Joined the brand as a part time associate and worked my way up to the SM position

TESSCO TECHNOLOGIES, Timonium, MD

Wireless Networking Product Specialist, Jul 2004 - Aug 2008

- Collaborated with sales, product, and marketing teams to communicate all promotions and new product introductions

EDUCATION

UPENN LPS CODING BOOTCAMP, Philadelphia, PA

Full Stack Program, Aug 2020 - Present

GROVE CITY COLLEGE, Grove City, PA

B.S. in Marketing and Management, May 2004
